

► **Exercise:** **Negotiating Power: Who does what in the relationship?**

Instructions: For the following items, please describe, in your perception, how things are currently handled and how you would like them to be handled. What is your philosophy about who should do what? Who generally does what (YOU, YOUR PARTNER, or FAIRLY SHARED AS YOU'D LIKE)? Are things shared as you would like them to be, or could things be closer to your ideal?
